28. Z80.38 Light Hazard from Operation Microscopes- ballot closes on March 20, 2017.

#### **ASC Z80 Standard Sales for 2016**

- 184 Standards sold
- Large Quantity License sold to the Ontario College of Opticians

### **Member Voting Information**

- ANSI Voting logs show consistently low response from voting members. Need to encourage members to vote even if it is just “Abstain” **Recommend that they reach out to the leader of that group and ask how they should vote or just vote abstain.**
- ISO Voting log shows better responses but could still be improved

### **OEOSC TAG Update**

- OEOSC TAG Meeting held February 2017 **Nothing new to report here.**
- ISO TC172/SC7 meeting was held in Sidney Australia October 24-28, 2016 **Thank all those that attended for their professionalism and support.**
  - Interim meeting for WG3 will be held in Southbridge, MA September 28<sup>th</sup>-30<sup>th</sup>. The location is the conference center that is where the AO manufacturing facility used to reside. We will also have the opportunity to tour the Optical Heritage Museum.
  - The 2018 plenary meeting most likely will be held somewhere in Europe in the Fall of 2018
  - The US has agreed to host the Fall 2019 plenary meetings. Location to be decided later
- ISO TC94/SC6 – Personal Protection Devices meeting was held the week prior to TC172/SC7. This allowed for cost efficiencies by eliminating two trips to Sydney
